Message of the President Desk

It gives me immense pleasure to share the Annual Report of our organization it all of you. The nature of governance with its inherent dynamics of Government and Non-Government mindsets and the professional execution of the negotiated mandate of the organization, make our organization a unique organization with unique character and this needs to be valued. Since the day of its establishment, the organization has been supporting remote and grass root communities to ensure decent conditions for life and work. Today I am happy to mention considerable increase in efficiency and effectiveness of our work as well as involvement of new thrust areas in our programs as a result of research and survey conducted by our organization. Our organization is extremely happy for this performance and hopes to continue in the same spirit for years to come, bringing solace and prosperity to vulnerable. I call upon our long-standing supporters to further strengthen our organization so that we can keep the organization relevant and live to the development needs of communities. Wish you all the Readers and the whole team a very happy and prosperous future. I would like to Congratulate each and every members of the our organization ho continue to support and believe in our Work. (PVVM TRUST)

Activities & Programs

1. Study Material Distribution to poor student

PVVM Trust organized a Study Material Distribution Programmer to support underprivileged and economically weaker students. Educational materials such as notebooks, school bags, stationery and other essential learning resources were distributed to help students continue their education with confidence and enthusiasm. The initiative reflects PVVM Trust's commitment to promoting education, reducing financial barriers and creating better learning opportunities for disadvantaged children. Annual Report Short Version: PVVM Trust distributed essential study materials to underprivileged students, supporting their education and encouraging them to pursue their academic goals with confidence

2. Skill Development Workshops

PVVM Trust organized skill development workshops aimed at empowering youth, women, and community members with practical and livelihood-oriented skills. The workshops focused on improving participants' technical abilities, confidence, communication, creativity, and entrepreneurial awareness.

Through hands-on training and interactive sessions, participants were encouraged to develop skills that can support employment opportunities, self-employment, and sustainable livelihoods. The initiative reflects PVVM Trust's commitment to promoting self-reliance, economic empowerment, and inclusive community development.

3. Environmental Awareness Program

PVVM Trust organized Environmental Awareness Programs to promote responsible environmental practices and encourage communities to protect nature. The initiative focused on creating awareness about cleanliness, tree plantation, waste management, water conservation, and the importance of maintaining a healthy environment. Through awareness sessions and community participation, people were encouraged to adopt eco-friendly habits and contribute towards a cleaner and greener society. The program also emphasized the importance of protecting natural resources for future generations

4. Community Development Program

PVVM Trust undertook Community Development Programs to support the overall well-being and development of local communities. The initiatives focused on creating awareness, encouraging community participation, and improving access to essential support and opportunities. Through various community-based activities, PVVM Trust worked towards promoting social inclusion, education, skill development, health awareness, and sustainable livelihoods. The program encouraged people to actively participate in community development and work together towards building a stronger and more self-reliant society.

5. Youth Development to computer & stitching program

PVVM Trust organized Youth Development Programs focused on providing practical skills and livelihood opportunities to young people. The initiative included computer training and stitching programs, helping participants develop useful skills for employment and self-employment. The computer training helped youth improve their digital literacy and basic computer knowledge, while stitching training provided practical skills that can support home-based work, entrepreneurship, and income generation. Through these programs, PVVM Trust aimed to promote skill development, confidence, self-reliance, and economic empowerment among youth.
